VERTEX STAGE ACCESSORIES

# Gloves and Accessories

*Keep your hands in one piece.*

<b>Xtra Lite</b>	Retail	Trade
	£11.58	£8.68

The xtra lite working gloves are lighter version of the lite model. Gloves are made of perforated material and with an elastic cuff (no hook and loop fastening). They are perfect for hot days.

<b>Lite</b>	Retail	Trade
	£12.27	£9.20

The lite gloves are thin, flexible and breathable, yet durable and extremely comfortable. The model is ideal for light and high-precision manual work, especially during the summer.

<b>MAX Gloves</b>	Retail	Trade
	£17.10	£12.83

Gloves max are the most universal model of gafer.pl gloves. They will work perfectly for manual work, but at the same time provide protection not only from dirt, but also from fingerprints or skin damage.

<b>Framer</b>	Retail	Trade
	£18.14	£11.79

gafer.pl framer gloves are the equivalent of the grip model "with cut-off" glove tips on the thumb, index finger and middle finger. Made of flexible and breathable material, covered with silicone net on the inner part.

<b>Grip</b>	Retail	Trade
	£18.83	£12.24

The grip working gloves are characterized by a non-slip silicone net, which increases grip. They are made of flexible and breathable material, which is a guarantee of comfort.

<b>Tuff</b>	Retail	Trade
	£25.22	£16.40

Professional gloves designed for work in the most demanding conditions. Their strong construction protects hands from damage, while innovative materials ensure comfort, movement, and touchscreen compatibility.
