Sticky tape is a transparent gel tape ideal for short-term fixing of props on film sets, shooting sets and set design. Tape is resistant to humidity and corrosion. It is also ideal for mounting piezoelectric converters due to its ability to transmit vibrations. It is a must-have for ballet schools, theaters, TV studios, photo shoots and stages.

VERTEX STAGE ACCESSORIES

Gloves and Accessories

Keep your hands in one piece.

All gloves available in X, S, M, L, XL and XXL

Xtra Lite Retail
£11.58

The xtra lite working gloves are lighter version of the lite model. Gloves are made of perforated material and with an elastic cuff (no hook and loop fastening). They are perfect for hot days.

Lite Retail
£12.27

The lite gloves are thin, flexible and breathable, yet durable and extremely comfortable. The model is ideal for light and high-precision manual work, especially during the summer.

MAX Gloves Retail
£17.10

Gloves max are the most universal model of gafer.pl gloves. They will work perfectly for manual work, but at the same time provide protection not only from dirt, but also from fingerprints or skin damage.

Framer Retail
£18.14

gafer.pl framer gloves are the equivalent of the grip model "with cut-off" glove tips on the thumb, index finger and middle finger. Made of flexible and breathable material, covered with silicone net on the inner part.

All gloves available in S, M, L, XL and XXL

Grip Retail
£18.83

The grip working gloves are characterized by a non-slip silicone net, which increases grip. They are made of flexible and breathable material, which is a guarantee of comfort.

Tuff Retail
£25.22

Professional gloves designed for work in the most demanding conditions. Their strong construction protects hands from damage, while innovative materials ensure comfort, movement, and touchscreen compatibility.
